Areas that can Benefit from Your Gifts

Unrestricted gifts
Unrestricted gifts, those not donor-designated for a specific use, are especially important to Penn State. They broaden the scope of program enrichment by enabling the University to provide funds where the need is greatest.

College and Campus Programs
Opportunities for giving are plentiful at all Penn State locations. All recognized programs, research projects, and activities can be measurably helped by faculty and staff support.

Trustee Scholarship Program
Each undergraduate college and campus has a general Trustee Scholarship Fund. The University will match 5 percent of gifts made in support of these scholarships at the campus or college of the donor’s choice. This scholarship fund will provide aid to students with significant financial need. For more information about the program and general unit funds visit www.giveto.psu.edu/trustee.

Undergraduate and Graduate Student Support
Many talented students have received exceptional educational opportunities as a result of Penn State’s commitment to providing outstanding educational programs at costs that are accessible to all students, regardless of their financial means. Renaissance Fund, College, or Campus scholarships and other resources for undergraduate and graduate students, provided by your gifts, enhance the quality and accessibility of a Penn State education.

Faculty Support
Support of Penn State faculty and faculty programs include giving to a dean’s chair, department head’s chair, faculty chair, faculty fellowships, or professorship awards.

Penn State College of Medicine/Penn State Hershey Medical Center
There are many opportunities for support including gifts to the Penn State Children’s Hospital, Penn State Cancer Institute, Penn State College of Medicine Endowed Scholarship Fund, and the Penn State Hershey Medical Center General Research Fund.
